About this document

This strategy proforma has been written by Kent Music. The aim of this document is to provide an opportunity for reflection of your current singing provision and an opportunity to plan and develop your school vision for singing. Its intended audience is Headteachers, Senior Leadership Teams and School Music Leads.

Kent Music also have a Music Support Plan, which is designed to help schools assess their current music provision on a larger scale across areas such as curriculum design and implementation, tuition and ensembles, singing and school life and opportunities.

Where to start

Begin by considering what your strengths are when it comes to singing in school currently. Once you have taken time to reflect on what happens in school currently, now consider what your ultimate goals are for singing in school and begin to write yourself an aspirational vision.
